Education

- 2025 MFA, Concentration in Printmaking, Secondary concentration in Ceramics,
Texas Tech University, Lubbock, TX
- 2019 BFA, Concentration in Printmaking, Kansas State University, Manhattan, KS

Teaching Experience

Courses Taught

- 2024-25 2-D Design, Spring Semester (Instructor of Record ART 1302, Spring 2024, Fall 2024 and Spring 2025), Texas Tech School of Art, Lubbock, TX
Instructed students on the basic principles of 2-D design and compositions. Subjects include value, shape, pattern, color and space. Through assignments, I introduced drawing/painting, collage, photography, digital and printmaking. Taught students how to properly critique and form a network/community amongst themselves.
- 2023 Beginning Printmaking, Fall Semester (Instructor of Record ART 3308, Fall 2023), Texas Tech School of Art, Lubbock, TX
Instructed students on the printmaking processes of Intaglio, Relief, Monoprint and Screenprinting. Aided students in developing conceptual attributes of art. Formulated strategies to best take advantage of printmaking medium. Demonstrated technical processes of printmaking. Ensured safety and health of students operating equipment and hazardous materials.

Courses Assisted

- 2024-25 Teaching Assistant, ART 1309 Global Arts and Visual Culture (Professor Kate Peaslee), Texas Tech School of Art, Lubbock, TX
Assisted for 2 semesters. Assisted Kate Peaslee with grading and attendance. Gave feedback on assignments to help students better understand the basic formal elements of art and the roles of artists in society. Gave artist talk in Spring of 2025.
- 2024 Teaching Assistant, ART 3328 Intermediate Printmaking (Professor Sangmi Yoo), Texas Tech School of Art, Lubbock, TX
Assisted Professor Sangmi Yoo with supplemental instruction to students. Aided with screenprint projects, taking analog drawings and converting them into bitmap files. Expanded knowledge of digital processes in CMYK screen printing, Duotone Laser Woodblock printing.

- 2023 Teaching Assistant, ART 1302 2D Design (Professor Travis Neel) Texas Tech School of Art, Lubbock, TX
Provided supplemental instruction to students, and assisted with evaluating student performance. Kept track of attendance and overall academic progress. Developed curriculum. Demonstrating the principles of 2-D design and how to apply various design elements.
- 2022 Teaching Assistant, ART 3308 Beginning Print (Professor Sangmi Yoo) Texas Tech School of Art, Lubbock, TX
Provided supplemental instruction to students, assisted with evaluating student performance. Kept track of attendance and overall academic progress. Developing ideas with students and assisted with technical demonstrations in regards to the print topics covered in class (Screenprint, Drypoint, Woodblock and Monoprint)

Relevant Professional Experience

- 2025 Speedball Ceramics Instagram Takeover
Collaborated with Speedball Ceramics from May 12-16 using their underglazes and silkscreens to screenprint designs and layers of underglaze onto ceramic artwork.
- 2024 Research Presenter, MAPC 2024, Manhattan, KS
Presented research into non-toxic methods of etching using Gac 200, aluminum plates and copper sulfate at MAPC (Mid American Print Council) in October of 2024.
- 2021 Fall Intern, Flatbed Press, Austin, TX
Assisted with the editioning of projects for Lance Letscher. Inked up plates for etchings *Therapy Bird* and *The Third D*. Additionally I maintain the cleanliness of the community and pro shops, help in the office with preparatory tasks for exhibitions, shipping, show striking and hanging
- 2021 Summer Intern, Island Press, Saint Louis, MO
Assisted with the development of print projects for Michael Joo, Erika Blumenfeld and BARBER. For the Joo project I inked up plexiglass relief plates, mixed screen Ink and washed out silkscreens. For Blumenfeld I cut down paper, and applied gold leaf to her prints. For the BARBER project I mixed up etching Ink, rolled flats for Chine-Colle and cut up said Chine-Colle.
- 2019 Summer Intern, Anderson Ranch Arts Center, Front Desk, Aspen, CO
Performed office and retail duties. As the front desk receptionist I was to greet guests as they come in, take and transfer calls, run errands for the office and facilitate the administrative needs of the ranch. Aside from administration and receptionist I also handled retail and cashiering at our fine art gallery/art supply store.
- 2018-2019 National Endowment for the Art Undergrad Research Assistant, Printmaking Area
Commissioned by undergraduate professor Jason Sculla to research the electrolytic process of etching.

Residencies

- 2025 Chautauqua Institute Art Artist-In-Residence, June-August, Chautauqua, NY
Red Lodge Clay Center Short Term Residency, Sept-December, Red Lodge, MT

Exhibitions

- 2025 *What Holds – Ceramic Boxes and the Language of Containment*, Vessels and Sticks, Toronto, ON, Curated by Jennifer Kerbel Poirier
- Wichita National All Craft Media Exhibition*, Gladys & Karl T. Wiedemann Gallery, Mark Arts, Wichita, KS, Curated by Catherine Futter
- CVA Six Week Residency Exhibition*, CVA School of Art Gallery, Chautauqua, NY, Curated by Erika Hess
